we can do small things
with great love.”*

Mother Teresa

Hello Everyone,

On September 4, **Blessed Mother Theresa** was canonized as a saint by Pope Francis. Best known for her compassion and kindness, she worked with the poorest of the poor in Calcutta, India. Mother Theresa founded the Missionaries of Charity, which consists of over 4,500 Sisters in 133 countries. Many of her quotes that repeated regularly to this day, are like the one above reminding us that love is such a simple thing that we can all share with each other.

Today we had a lot of fun dressing in our favourite **footy colours**. Thank you to the P&F for organising the pies for lunch.

To reward the students with **100% attendance** in Term 3, we are having a special pizza lunch for all students who haven't missed a day. Notes have gone home to those students.

Our **whole school mass for Mary's Birthday** took place last week and was a lovely celebration. Well done to all the children who took part in the liturgy and thank you to Mrs Hindson for organising the mass. Thank you also to the students who attended our Family mass on Sunday, it was very well attended and the children who read, sang and danced were wonderful. Well done to these students as well as the Gr 3/4 teachers (& Miss Carroll) for organising the mass.

Good luck to our Gr 2 students who are having a **sleep over** at school this Thursday night. It is an important part of our camp program which aims to develop independence and resilience for children spending time away from home. Thank you to the Gr 2 teachers for organising the night and spending a night away from their comfy beds!

Congratulations to **April Haby** who won the Principal's Award last week. April has grown significantly in self confidence over the past few years and her results in the classroom have improved greatly as a result of this. She is responsible and now enjoys taking on extra responsibilities such as reading at mass, which she did at our mass for Mary's Birthday and our Family mass on Sunday. Well done April!

Cedric Hall and Kath Tracey presented 3 Kiwanis **Terrific Kids Awards** at assembly on Friday. Congratulations to Aidan May (P FD) Olivia Soares (4 SL) and Bailey Gooiker (6TP) who won this term's awards. 3 very worthy winners! I would like to thank Mrs Traey who will be finishing presenting the awards after many years for the McLennan St Kiwanis club. Thanks Kath!

We have finalised important dates for Term 4 that are listed in this newsletter. Please note these on your calendars.

This Friday 16th September is the **last day of term** and the students will be dismissed at 2:30pm. Buses will also run an hour early.

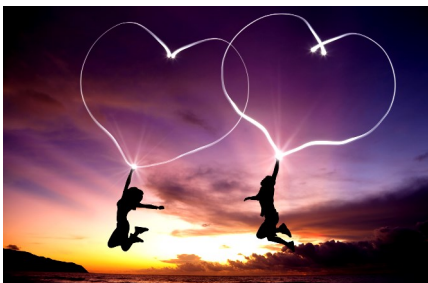

I will be taking 2 weeks long service leave at the start of next term. Mrs Hindson will be Acting Principal in my absence.

Video of the week. [Can you spot the mistake?](#) A fun quiz for kids and adults.

Have a wonderful holiday everyone,

Have a good week,
Anthony Butts
Principal.

Be Good to People and the World will be Good to You

Dear Parents/Guardians,

As you know we take the health and safety of our students very seriously. As such we are adopting a new health, safety and electronic consent form system named CareMonkey.

CareMonkey has an innovative parent controlled electronic medical form for schools, clubs and other groups with a duty of care. It's an electronic version of the paper based forms you're always having to fill in for excursions, camps etc. It provides you the opportunity to update medical information promptly and accurately while providing the school with instant access to the emergency information provided by you. We will be using the CareMonkey system in the best interest of the children whilst also reducing the burden on you to fill out the same information on multiple forms throughout the year.

You can use a PC, laptop, tablet or smartphone to enter the details including:

- emergency contacts
- medical contacts
- medical checklist including asthma, allergies, seizures, diabetes
- health and ambulance insurance details
- notes and other care instructions from you
- and more...

As a parent/guardian you will receive an email request to join CareMonkey and enter details for your child/children. By following the instructions you can create your own free CareMonkey account and control all data about your child/children. The CareMonkey system stores the information on your behalf and you will be able to grant (or deny) access to your data with our school. You are also able to share this data with any other group or individual you choose (eg. your child's grandparents, their child-minder, their sports club, etc).

From the schools perspective, this information will only be visible by the relevant staff for your child and will be managed in accordance with the Privacy Act.

You don't need to do anything until you receive the email requesting the information. If you do not receive an email from CareMonkey by Friday 2nd September, please contact the office with a relevant email address.

Please feel free to contact the school if you have any questions. You can also visit the CareMonkey website for more information: www.caremonkey.com

We appreciate your assistance.

We aim to implement this programme now and be using it by the end of Term 3.

Positive Behavioral Interventions and Support

PBIS Newsletter Report for September 14th, 2016

For the last week of school we have a new blitz.

Our new blitz is all about Communicating Respectfully. Unfortunately our teachers have noticed students being disrespectful to teachers and to each other. At St Mary's we pride ourselves on being respectful so I'm sure this is something we can improve quickly.

Communicating Respectfully includes using manners and saying please and thank you. It means using a respectful tone of voice and not arguing, especially with adults. It means taking responsibility for our actions. Arguing with an adult and blaming other students is not being respectful.

Communicating respectfully also includes our body language. Rolling our eyes, not looking at a teacher and walking away are all signs of disrespect.

Communicating respectfully also includes no swearing! Even when there is no teacher around.

So let's make St Mary's a safe and respectful place to be.

Our PBIS Student of the Week comes from the 1/2 area. She always speaks respectfully to her peers and to adults. She is an excellent example to her classmates and she is a joy to have in the classroom.

Our PBIS Student of the Week is Olivia Mandaradoni.

Congratulations *Olivia*, on being our PBIS Student of the Week!

At St Mary's we are building Respectful, Responsible, Resilient and Safe Learners!

After School Activities

Term 4 sees the return of our After School Program activities.

Activities we will be offering are -

- **Games** with Maddi Wong on Tuesday afternoons
- **Orienteering** with Kim from Playball Shepparton on Thursdays.

Both Activities will run directly after school with fruit and a drink from 3.30pm and activities commencing at 3.45pm.

Please watch next Terms newsletter for further information and expression of interest form.

Thank you

Maree Williams

Arts On Show

On the 30th of August students involved in the school choir participated in the A3 Sandhurst Arts on Show event. There was a lot of preparation involved in getting ready for this day, with students learning two songs.

The students took on a huge challenge in learning to sing the song "Headlights" by Robin Shultz in Acapella style. This involved the students learning how to replicate the song only using their voices.

On the day they participated in three different workshops of Dance, Drama, and Singing. During these they performed "Headlights" and did an amazing job.

Unfortunately, our school was not chosen to sing this song at the reprise. Instead we joined in with over 600 students from other schools in the diocese to sing "Cup of life" by Ricky Martin.

We would like to thank all staff and families who came along in support of us.

I have been very blessed with the group of students in the choir and so very proud of everything they have accomplished this year so far.

REFLECTION (GPBS eNews—Weekly Parables)

What's Wealth Really Worth?

Oscar Schindler was a rich man who learned the real value of wealth.

Schindler was a successful German factory owner during World War II. He made his wealth mostly by joining the Nazi party and exploiting Jewish workers.

But Schindler changed during the war. He became sickened by his complicity in Germany's treatment of Jews.

Eventually, he spent his fortune and went broke buying safety for about twelve hundred Jews who would have died in death camps. His story connects well with this week's Gospel and its message about wealth.

First, our wealth should serve our relationships, not vice versa. Jesus isn't advising us to act like the steward and use other people's money dishonestly. Rather, he's pointing out that we'll find more security and meaning in life if we use our wealth generously for others. We'll have less stuff than others, but our lives will be rich in relationships.

Second, we can't claim the title Christian unless we consciously choose God as our Master. And that means we need to ask ourselves this basic question: I serve God, so how could God have me use my wealth, money, talent, and time?

That's a tough question. But if you ask it daily in prayer, you'll start to see the world and respond to it like Oscar Schindler did.

What might change in your life if you looked at your talent, time, and money like Oscar Schindler did?

ADVERTISING IN PARISH/SCHOOL BULLETINS

We would like to sincerely thank those businesses who have contributed financially to the parish by placing their business advertisement with us.

These businesses will be advertised during the entire 2016/2017 financial year.

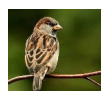

SEASON OF CREATION - SEPTEMBER 1 - OCTOBER 4

Everything is related, and we human beings are united as brothers and sisters on a wonderful pilgrimage, woven together by the love God has for each creature. *#92 Laudato Si*

Creation Covenants: Jesus shows he is familiar with the love of God expressed in the workings of the natural world. Jesus saw his Father's 'Covenant with Natural World' in the lilies of the field and even the sparrow. Jesus saw himself as the grain of wheat that dies so that it might yield a hundred fold. Mk 4.1-9, 13-20. He said he was like a hen gathering her chicks under her wing. God's loving covenant extends to all creation — God, humans and Earth in a loving communion as Pope Francis expressed it.

Creation is of the order of love. God's love is the fundamental moving force in all created things.

#77 Laudato Si

Our relationship with the environment can never be isolated from our relationship with others and with God. *#119 Laudato Si*

Joke of the Week

Q: Q: Why was the Cookie sad??

A: Because his mum was a water so long!!

By Bailey Leask

Artist of the week

The students in grade P/1 have continued to develop their Textiles skills this term. This week they have been continuing to practise threading a needle and tying knots. They also learnt how to do running stitch, sew on beads and join two pieces of fabric. Congratulations to Tess, Bevan and Stella on being this weeks artists of the week. They have worked very hard to create these beautiful sewing samples.

By Kielly Sloper & Ruby Egglestone

Calisthenics Competitions

Kielly Sloper (6 GW), Tyra Jones (6 GW) and Piper Canning (5 DC) competed in two Calisthenics competitions this term and will also soon be competing in Calisthenics Victoria Inc biggest completion in all of Victoria.

At C.V.I. the girls will have the opportunity to move up from division 7 to division 6 and potentially titled as the best division 7 juniors in Victoria. They will perform 7 routines against other teams and if they win, all of their team will receive medals and a trophy for the club.

The team has 25 members and are split into two teams with a couch and an assistant coach. We wish them luck at C.V.I and hope that they will become the best division 7 juniors in Victoria.

By Tyra J and Kielly.

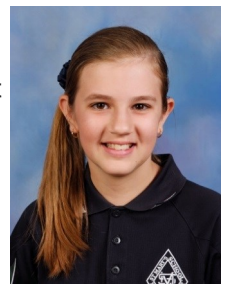

School Sports Golf Competition

Tiana Gledhill recently participated in the Primary Schools golf competition. Tiana was the only girl at this competition and made it through to regionals which will be held on November 14th. Congratulations Tiana!

PROFILE

Tiana Gledhill **Age:** 11 **Grade:** 4/5 FB

Parents: Kelly and Sean

How old were you when you first started playing golf? I can't remember, but I have played for about 2 or 3 years.

What do you like about golf? Its enjoyable and I like the peace and quite there.

Why did you start playing golf? Be cause my cousin was playing and my dad thought I would enjoy it as well.

Did you enjoy playing at the competition? Yes, it was a bit frustrating though.

How difficult was the competition? The course was difficult to get around because it had lots hills and it was the first Time I had played that course so I didn't know My way around.
