**Gr 3-6 Water Safety Swimming Program** [View Attachment](#)

The Grade 3, 4, 5 & 6 students will be participating in a Water Safety Program on Monday the 9th of December at the Mooroopna Swimming Pool.

Students need to wear their sports uniform and bring their bathers and a towel. Children should also bring their school hat to wear whilst walking to the pool. The students are required to be wearing sun smart bathers, this includes a rash vest or a t-shirt to be worn at all times. Sunscreen is a must and the staff will be supplying some at the pool.

Students will be walking from school to the Pool. If any parents are attending and able to walk down with the students could they please let classroom teachers know.

Use the calendar for upcoming events.
