

SCHOLASTIC Book Club

Scholastic Bookclub offers families an opportunity to purchase quality books, games, posters & learning games, through a catalogue that is distributed to the students twice a term. There is no obligation to buy, but purchases made through Book Club contribute to the school, gaining resource rewards from Scholastic for the classrooms and Library.

Scholastic encourage all orders to be placed through their easy online system (LOOP) and payment by credit card, however orders can still be returned to the school office with your payment.

All orders & payment returned to school, need to be either Cheque or cash.

If paying by cheque, please make out to Scholastic. Cash payments need to be placed using correct money.

Book Club **LOOP** for parents

LINKED ORDERING AND ONLINE PAYMENT (LOOP)

LOOP enables parents to order and pay for their child's Book Club order, thus removing the paperwork, keying and payment handling. Teachers still give out the catalogue and distribute the purchased books to the students, so the fun of Book Club is maintained. Schools still receive the same Scholastic Rewards for all orders. The LOOP app for mobile devices makes ordering even more convenient!

or go to scholastic.com.au/LOOP

Once all orders have been collected (about 2 weeks) and the order is sent off, the orders are returned to the school, normally within 7 days, and sent to the child's classroom for distribution.

If you have a special order, ie birthday or surprise, then simply mark clearly on the order for the books NOT to go home with the child and you will be phoned to collect.

St Mary's also run a Scholastic Book Fair, which is normally held mid year. The fair runs before and after school for parents, grandparents and friends to come along and have a look. Once again all purchases contribute to the school gaining resource rewards for the classrooms and Library, from Scholastic Books.

Please remember that the Bookclub Coordinator is a parent volunteer and may not be available to answer all queries or concerns directly.

Book Club

Reading has never been more fun!
