Re: State Lockdown

The Acting Premier has announced that from 11.59pm tonight the state of Victoria will go into lockdown for 7 days. This means that St Mary's will be closed until next Friday 4th June.

Tomorrow Friday 28th May will be a pupil free day. Teachers will use this time to plan for remote learning that will begin Monday 31st May and conclude Thursday 3rd June. At this stage, students will return to school next Friday 4th June.

Remote Learning activities will be communicated to parents tomorrow via SIMON and Google Sites. Gr 1-6 students will be taking their iPads home with them this afternoon. If your child is absent today or does not bring their iPad home, please call the school prior to collecting it from the office. If you have any problems accessing the online learning activities, please contact the office.

The school will be able to supervise the children of essential workers on the days the school will be closed next week. To apply for onsite supervision please [click here](#).

Let's hope this is the last of the lockdowns.

Take care everyone,

Anthony Butts
Principal.
